### **AMENDED NOTICE OF AHO 2023 Tax Practitioner Forum**

As you know, the AHO Tax Practitioner Forum is scheduled for **Friday, December 1, 2023 at 9:00 am**. We wanted to conduct this meeting in person in our Santa Fe office as an open house of our remodeled main facility. However, there is a potential for inclement weather in the Santa Fe forecast for Thursday night and Friday morning. Rather than risk inclement weather, **AHO is going to convert the Practitioner Forum to a Zoom meeting** so that everyone is able to attend regardless of uncertain road, weather conditions, or possible weather-related office delays or closure. At the time of the meeting, please join in at the following zoom link. We still hope to host an open-house with food and refreshments at a later date, probably next summer.

To join please use the zoom meeting information below:

**Meeting ID: 892 7187 6938**

**Passcode: 534842**

The purpose of the AHO Tax Practitioner Forum is three-fold:

- 1) to provide some general updates about the hearing process and issues affecting the tax protest docket;
- 2) to give tax practitioners from the private tax bar, tax accountants, and staff from Tax. & Rev. an opportunity to engage, to ask questions about the hearing process, to discuss practice issues, and provide feedback/suggestions to AHO about how the hearing process can be improved for all involved; and
- 3) to provide an open house of AHO's renovated main hearing office, an effort that was supported by various tax practitioners at previous forums.

The Practitioner Forum will take approximately 90-minutes. To attend, please RSVP to Angelica Anaya, via email at [angelica.anaya@aho.nm.gov](mailto:angelica.anaya@aho.nm.gov) or via phone at 505-827-9722.
